

Milk Chocolate Chip Cake

SERVES: 8-10

PREP TIME: 20 MINUTES

OVEN TEMP: 325

COOK TIME: 45 MINUTES

INGREDIENTS

1 box Yellow Cake Mix	1/2 cup Vegetable Oil
1 small box Vanilla Instant Pudding	1 1/2 cup Milk
1 small box Chocolate Instant Pudding	6 oz. Milk Chocolate Chips
3 Eggs	

DIRECTIONS

Preheat oven to 350 degrees.

Grease and flour bundt pan. Set aside.

Mix all ingredients except for chocolate chips in stand mixer or using hand mixer.

Fold in chocolate chips. Pour mixture into bundt pan (watch the hole)

Bake for 45 minutes at 350 degrees

Note: To ensure the chocolate chips distribute evenly, you may want to coat them in a little cocoa powder or flour to keep them from sinking to the bottom. You can also use cocoa powder instead of flouring your pan to keep the chocolate flavor.
